Dear Mr. Straus:

The tax rates and estimated revenue shown below will be presented to the Budget Commission for approval on September 8, 2015.

The estimates have been prepared using approximately 97% of the current duplicate for real and public utility, and a conservative increase for new construction. Included in the estimates are all State reimbursements for the non-business and owner occupied credits, the homestead exemption, and any remaining public utility personal property and tangible personal property reimbursements from the State of Ohio. Worksheets showing these calculations are enclosed for your reference.

Please review the tax rates and estimated revenues. If you have any questions, please contact David Nurre at 946-4211, or Tammy Disque at 946-4210, by August 28, 2015.
