

CMHA Town Hall Meeting  
March 7, 2013  
Survey

The development of 32 units of asset management (public housing) in Green Township is federally required by a compliance agreement between CMHA and the U.S. Department of Housing and Urban Development (HUD).

In an effort to better understand community wants and needs related to these units, please share with CMHA your preferences for such a development (please check all that apply):

- Develop new, multi-family housing on one site
- Purchase and rehabilitate multi-family housing on one site
- Purchase and rehabilitate a combination of 2, 4, 6 or 8 multi-family dwellings on sites scattered throughout the township
- Pursue a combination of rehabbed and newly-built 2, 4, 6 or 8 multi-family housing on sites scattered throughout the township
