

Green Township Senior Citizens INC Activities, **THE TELESCOPE**

March - April 2020

Tweets from the President

Well, we made it thru the holidays. Just a couple of reminders. First, we are not to go into the Kitchen when meals are being prepared and/or served by C.A.S.S. This applies all the time when food is being prepared, this includes the “Wednesday Night Dinners”.

Secondly, no one is to take food out of the refrigerator without permission from C.A.S.S. C.A.S.S. has to account for the food they bring and use in the Center. All “Congregate Lunches” must be consumed on the Center’s premises. No “Congregate Lunches” are to be taken home! This is per C.A.S.S.

If you bring your own food, to enjoy here, and then need to refrigerate it while you are participating in an activity, ask Allison or John which refrigerator shelf to place your food. Please! Put YOUR name on it and date it. It will be discarded after 24 hours. A notice will be placed on the refrigerator to this condition.

Next, regarding General Membership Monthly Meetings. If you sign up for any “free lunch” you should stay and listen to the presentation. These industries who are gracious enough to provide us with these luncheons, “free of charge”, do so hoping that our members will “Remember” them when their type service is needed.

Our Monthly Meetings are held to provide you, our Members, with information that was not available for publishing in the Telescope, or the information that was put into the Telescope, requires or needs to be changed or cancelled. We hope that those who stay for the meetings, relay these information changes to others. **Joanne Walsh**

Thursday Night Dinner

The "Thursday Night Dinner" group still needs a "Chairperson". If you enjoy going out to an informal dinner with old and new diners, this is your chance. You'll set the schedule. Every other Thursday or once a month?? For example, April, May and June and then September, October and November. Your decision. Velma, Past Chairperson stated, "...I will help anyone in getting started in chairing this activity." This we can say, there was always at least 20 members attending. Velma will give you the procedure. If you are interested, phone 385 – 3780, give you name, phone number and why you are contacting the President to the Volunteer. The President will phone you in return.
